ENTRY

Wednesday, April 15 | 4:15 - 5:15 p.m.
Omni Interlocken, Broomfield CO

Meet clinic staff

Connect with staff from Community Health Centers, Rural Health Clinics, Critical Access Hospitals, and Safety Net Clinics and learn about working in the health care safety net.

Learn about educational opportunities

Network with clinics to learn about possibilities to further your education and connect with clinics for rotations and future employment opportunities.

Find your health care career

Bring your resume and get ready to mix and mingle with recruiters and clinic staff. This is a great opportunity to learn about working in primary care, serving the safety net, and the communities they serve.

Register at the QR code by selecting “student”, not attending the conference, and including your educational program under organization under Step 1. Step 2 should indicate no charges unless you choose to attend the entire conference. At Step 3, select the Safety Net Workforce Symposium and Workshop. Complete your registration in Step 4.
