About 3RNET

3RNET is the most trusted resource for health professionals seeking careers in rural and underserved communities.

3RNET is a nonprofit organization focused on people. Our members connect professionals searching for jobs in rural or underserved areas with health care facilities.

3RNET is powered by the National Rural Recruitment and Retention Network which is made up of member organizations such as:

- State Offices of Rural Health
- Primary Care Offices
- Area Health Education Centers
- University programs
- State-based non-profit organizations
- Primary Care Associations

Learn more about 3RNET by visiting www.3RNET.org.

3RNET Mission

3RNET works to improve rural and underserved communities' access to quality health care through recruitment of physicians and other health care professionals, development of community based recruitment and retention activities, and national advocacy relative to rural and underserved health care workforce issues.

3RNET Vision

3RNET is the national leader for community-based health professional recruitment and retention, using interactive technologies and communication.
